ABOUT

A thoughtful, critical voice on what younger millennials and older Gen Z are going through.

I make videos that question what we take for granted: relationships, money, solitude and how we grow. I'm based in New York, doing an MBA and an MS in AI at Columbia after years as a product manager in Latin America and Europe. I keep it straight, no formulas, for a generation that wants to understand, not just scroll.

MANIFESTO

SAL. EXPLORA. PIENSA.

NO TODO ES COMO PARECE SER.

REPETIR LO MISMO NO TRAE RESULTADOS DISTINTOS.

SÉ CURIOSO. EXIGE LO JUSTO. ELIGE SER LIBRE.

OBSERVAR, REFLEXIONAR, COMPARTIR.

SÍ. FAC SI FACIS.

Get out. Explore. Think. Not everything is what it seems. Doing the same thing won't bring different results. Stay curious. Demand what's fair. Choose freedom. Observe, reflect, share. Yes. Fac si facis.
